## **COMMENTS INVITED ON APPLICATION OF DSLNET COMMUNICATIONS, LLC TO DISCONTINUE DOMESTIC TELECOMMUNICATIONS SERVICES**

**WC Docket No. 05-353**  
**Comp. Pol. File No. 738**

**Comments Due: January 5, 2006**

### **Section 214 Application**

**Applicant: DSLnet Communications, LLC**

On December 5, 2005, DSLnet Communications, LLC (DSLnet or Applicant), located at **545 Long Wharf Drive, Fifth Floor, New Haven, Connecticut 06511**, filed an application with the Federal Communications Commission (FCC or Commission) requesting authority to the extent necessary, under section 214 of the Communications Act of 1934, as amended, 47 U.S.C. § 214, and section 63.71 of the Commission's rules, 47 C.F.R. § 63.71, to discontinue its provision of certain domestic services in Alabama, Georgia, Louisiana, North Carolina and Tennessee.

DSLnet proposes to discontinue its provision of interstate special access DSL service, which is used for high-speed internet access in certain markets in the above-mentioned states. DSLnet states that it plans to discontinue this service as of January 31, 2006. DSLnet indicates that it provided all affected customers with written notice of its proposed discontinuance, and the availability of alternate services on December 1, 2005. DSLnet also indicates that the written notice provided each affected customer with the ILEC circuit identification of the circuit over which current service is provided by DSLnet to enable, if possible, reuse of that circuit by the customer's alternative provider. DSLnet asserts that it is non-dominant with respect to the service it proposes to discontinue.

In accordance with section 63.71(c) of the Commission's rules, DSLnet's application will be deemed to be automatically granted on the thirty-first (31st) day after the release date of this public notice, unless the Commission notifies DSLnet that the grant will not be automatically effective. In DSLnet's application and notice to customers, DSLnet indicates that it anticipates discontinuing service on January 31, 2006. Accordingly, pursuant to section 63.71(c), absent further Commission action, DSLnet may terminate service to its affected customers on **January 31, 2006**. The Commission will normally authorize proposed discontinuances of service unless it is shown that customers or other end users would be unable to receive service or a reasonable substitute from another carrier, or that the public convenience and necessity would be otherwise adversely affected.

This proceeding is considered a “permit but disclose” proceeding for purposes of the Commission’s ex parte rules, 47 C.F.R. §§ 1.1200-1.1216. Comments objecting to this application must be filed with the Commission on or before **January 5, 2006**. Such comments should refer to **WC Docket No. 05-353 and Comp. Pol. File No. 738**. Comments should include specific information about the impact of this proposed discontinuance on the commenter, including any inability to acquire reasonable substitute service. Comments may be filed using the Commission’s Electronic Comment Filing System (ECFS) or by filing paper copies. *See Electronic Filing of Documents in Rulemaking Proceedings*, 63 FR 24121 (1998).
